Dixiecats To Meet Yankeeats Here

Truman To Romp
Over Dewey Field

By Tom Diskin
Kentucky's Dixiecats, who have never been beaten by an intercollegiate opponent while under Coach Paul Bryant, will meet Villanova College of Philadelphia, one of the East's top eleven, Saturday afternoon at 2 o'clock on Stoll Field.

Since the 1946 season, the Bryantmen have won 18 games and lost nine. All nine defeats were by Southern Conference foes.

The Villanova Wildcats have a season's mark of four wins and two setbacks; Kentucky has a 3-3 record.

Coach Paul Bryant stated that the Pennsylvania team has "a tremendously large team." His scouts have reported that the Main Liners are much better than in 1947 and are deep in practically all positions.

On the other hand, VC's head mentor, Jordan Oliver is of the opinion that UK "is without doubt the toughest opponent Villanova has played since Army."

Good Season
Villanova has had a good season thus far. In their opener at Philadelphia last September, the North-easterns whipped Texas A&M, 34-14. The next week, the powerful Army Cadets took VC, 28-0.

In the following games, the Pennsylvania team took Miami (Florida), 19-10, lost to Boston College, 20-13, and then last Friday trounced a massive Detroit University crew, 27-6.

The starting team of Villanova is figured to average 208 pounds in the line and 185 pounds for the four backs.

Pasquariello Dangerous
Ralph Pasquariello is one of the best fullbacks in the East. He is also used at times at left halfback. Pasquariello is a 6'1", 225-pound junior from Everett, Mass. He had a terrific day against the Texas Aggies in the VC opener as he plowed across the back marks for three touchdowns. The big boy has both speed and size to make a fine fullback.

Another leading back for the visitors is Bob Polidor, a 175-pound halfback, who is one of the fastest men on the team. He was voted as "Most Valuable Player" on the squad last season. Made one of the longest runs in football history against Miami U. (Fla.) in 1946 when he raced 109 yards for a TD.

Doherty At Quarterback
Bill Doherty is expected to start at quarterback over Andy Gordon. Doherty is outstanding at passing and on defense. Gordon, who like Doherty is a senior and another fine passer, has completed 11 in 25 tries in 1947, and 28 aerials in 55 throws in 1946.

Joe Rogers, a junior halfback, is a tricky runner. He averaged 5.5 yards per run last season and 5.9 in 1946. Al Schmidt is another halfback slated for much duty tomorrow. He excels at punting. Dominiel, a 160-pound sophomore, has been showing up well in recent games. He has much speed and made All-New Jersey while in high school.

Kentucky Ready
The Kentucky team is now in pretty fair physical condition. Norm Klein has played down some of his weight with a slight leg injury, but most of the other players will be ready to go come Saturday.

Shorty Jamerson is almost certain to start at left halfback. George Blanda will handle the signal-calling duties. At fullback, Lee Truman or Clayton Webb will start. Dick Martin, who will serve as captain with Center Harry Ullinski for the game, or Jim How will be at right half when the opening whistle blows.

Ullinski will be at center: Bob Cain and Doc Farrell are expected to be the tackles; and Dick Howley and Ray Porter or Pat James will open in the guard positions for Kentucky.

Only Four Back
Only four players who started against Villanova in the Great Lakes Bowl game are back this season. Charlie Bentley, a reserve end, started at the right terminal last December against VC. Other starters were Blanda, Howe, and Bill Boller.

In the 24-14 victory over the Main Liners, Boller scored twice: Howe once; and Blanda kicked three placekicks and one field goal for all the UK scoring.

Pasquariello scored once for the Eastern eleven in that game. Gordon passed to End John Sheahan for the final VC scoring. Both Villanova touchdowns came in the final quarter.

Kentucky will be a slight favorite in the game tomorrow.

Plans Are Made For Fall Festival

The annual Fall Festival of the College of Agriculture will be held at the Livestock Pavilion on the nights of Nov. 19 and 20. It was announced this week. The event is under the sponsorship of Block and Bridge, animal husbandry group.

Prior to the Festival, a king and queen will be chosen at a convocation of the Agriculture College, on Nov. 16. They will be crowned on the final night of the Festival.

Features of the Festival include exhibits of livestock, judging and other contests. A trophy will be awarded to the outstanding showmanship exhibit, and ribbons will be given for separate class awards.

Proctor Council D. Johnson will exhibit 14 prize steers on Friday night. The steers will be entries in the International Livestock Exposition in Chicago. The student judging team will show its skill before going to the International show.

Herdsmen H. J. Barber will exhibit sheep projects which will be shown at the Chicago show.

Departmental exhibits will be held in the Crabgrass room of the Pavilion.

Contest Winners To Get Trophies

The annual Room-Judging Contest sponsored by the House President's Council will be conducted Sunday at all residence units and sorority houses.

Two trophies will be awarded—one to the best room in residence units and one to the best room in sororities.

Each residence unit and sorority house will select the three most attractive rooms of that unit. These rooms will be judged by the judges, who will select the final winners.

Rooms will be judged on the basis of appropriateness, taste, originality, and attractiveness.

Judges for the contest will be Miss Helen Wilmore, Mrs. Durward Thurman, Miss Thelma Thompson, Mrs. Elmer Gibb, Miss Margaret B. Cruise, and Miss Maekie Rasdall.

Senior Honorary Advocates Establishment Of Honor System

By Ben Reeves
The prospects of an honor system being established at the University were heightened last week when Lamp and Cross, senior men's honorary, announced its support of the plan.

Lamp and Cross began a study of the honor system about a year and a half ago. Since that time, the organization has investigated honor systems in other colleges and universities, and has given attention to psychological reports of the system's operation.

Delegates Present Findings
In addition, the senior honorary has sent representatives to meetings of every active organization on the campus to present its findings. To date, about 35 campus organizations have announced support of an honor system at the University, and four have announced conditional approval. Only one campus organization has rejected the plan.

John Angelis, chairman of the Lamp and Cross honor committee, said the organization's plans had been laid before President Donovan, Vice President Chamberlain, and the deans of all colleges of the university, all of them have approved.

Faculty Approval Assured
Although the honor system at the University would be established with full faculty approval and cooperation, Angelis said, it was clearly understood that at no stage would any effort be made to place restrictions on any instructor regarding the manner in which he conducts his examinations.

Angelis said the impetus for the establishment of an honor system has come directly from the student body. "It should continue to be," he said.

Pre-Game Rally Set For Tonight

Just Who Is UK's Ugliest Guy? Step Right Up; Don't Be Shy

By Wilford Lott
It may be an asset to be ugly! A contest to determine the ugliest man on the campus will be sponsored by Alpha Phi Omega service fraternity beginning December 7 and ending at noon December 11.

Each fraternity and men's residence unit is invited to submit one candidate for election. Photographs of the nominees will be displayed in the Student Union Building for the admiration of the student body.

Vote For To Aid Projects
Ballot boxes will be placed near the photographs and each vote will cost one cent. The proceeds from the contest will be used to finance service projects sponsored by the fraternity.

Last year the service group aided a local orphanage, painted a church, and distributed Thanksgiving baskets. Joe Hall, president of the fraternity, stated that similar plans are under way for this year.

The winner, the ugliest man on the UK campus by unpopular vote, will be awarded a prize during the intermission of the Christmas dance, December 11, at the Student Union.

Wanted: Thanksgiving Vacation

As the autumn goes into November, college students all over the country begin looking forward to the Thanksgiving holidays. UK students just look forward to the Thanksgiving holiday.

The reasoning used to be that rushing along on the quarter system we didn't have time for such a break, but the University is on the semester system now.

It would be hard to find many schools in the nation on the semester system that do not get from Wednesday afternoon to Monday morning for Thanksgiving vacation. Even on the quarter system, such neighboring universities as Ohio State and Tennessee, for instance, have no classes Thursday, Friday, or Saturday.

All UK students who don't live in or near Lexington eat Thanksgiving dinner in the dorms or cafeterias instead of enjoying a brief visit home and dinner with their families.

Just to make sure the University's charges don't leave before they are supposed to and that they're back bright and early Friday morning for class, the University adds a semester hour and a quality point to graduation requirements of anybody who dares cut class before or after a holiday.

Something could be done about this. Friday and Saturday classes after Thanksgiving could be dismissed. Arrangements could

As a result, some of the rooms turned up with two walls blue, two walls beige, and an orchid ceiling, or three walls yellow, one wall beige, and the ceiling green, and various other combinations.

Letters To The Editor

Editor, the Kernel:

In all fairness to Coach Paul Bryant and in all appreciation for the wonderful brand of fighting, winning football which he has produced at UK since he took over the reins in 1946, I sincerely hope that he has learned something from the case of Don Phelps.

I think, and I'm sure several

members of Bryant's '46 and '47 teams will agree with me, that Coach Bryant used the wrong kind of psychology in dealing with Phelps.

I hope Coach Bryant read Larry Boeck's column on the matter in last Friday's Courier-Journal and took that reading to heart.

Coach Bryant should ask himself these questions and then apply them to the case of the boy who led the nation in kick-off and punt returns in 1946 with an average of 45 yards.

Can a coach use the same psy-

Letters To The Editor

(Continued from Page Two)

Psychology with every man, the psychology that he should always bawl him out for mistakes and never give him a little pat on the back when he does something right?

Will every man get a swelled head if you congratulate him upon a good play or run every once in a while?

Can every player stand up under the strain of believing that the coach never has any confidence in him, that no matter what he does and no matter how hard he tries it will always be wrong?

Would you keep playing football for a man who repeatedly made you the goat at practice sessions, a man who would tell the whole team that one of the players who had just made a mistake "looked just like Phelps or Meeks?"

I sincerely believe all the answers to these questions to be the same. "No." I think that the coach may find that the case of Don Phelps has taught him a lesson in player-coach psychology which he had never learned before.

He may have found that you can roast a player over and over and over again until even if he had been "a boy who liked to play football" he found he no longer had any confidence in himself and didn't want to play anymore because, according to the coach, no matter what he did, it was never right.

Again I want to say that Coach Bryant is to be congratulated on the fine football he has brought to us here in Kentucky but we're all human and we all make mistakes.

As a UK football fan and as a Coach Bryant admirer I think he did make a mistake in this instance. I hope he may profit by it in the future.

I protest your pale, pink, puny, pusillanimous, pedestrian outpourings with the proclivity to provoke the present populace against the pedal-pushers by profuse outpourings that are better suited to the stone-age.

Anyway, it seems like the green-eyed monster to me. I hope you may be able to one one (a bicycle) yourself someday. Then maybe with the exercise and fresh air, your brain will clear.

student-desired, student-supported, and student-controlled in an effort to create a conscious student responsibility", he said.

Joint Session Planned
Lamp and Cross has tentatively planned a joint session with representatives of other organizations to

discuss the honor system. At that time, working committees will be established to take care of plans for organization, public relations, and finance.

A resolution adopted by Lamp and Cross last week stated that because of the conditions which exist during examinations, that organization favors adoption of the honor system which will elevate not only the student body and faculty, but the reputation of the University for honesty.

Prize To Be Awarded
In its campaign to establish an honor system, Lamp and Cross plans to offer a substantial cash prize to the student who writes the best article, pro or con, on the plan. The organization will also publish a pamphlet giving details of the outline of the honor system.

The first newspaper published regularly was printed in Germany in 1609.

HAVE YOU TRIED LAUNDRY SERVICE LATELY?

What is the real Cost?

To answer that question you start with the cost of your original investment. Add your cost of supplies, electricity, and water. You're not even through then. How about the long hours of ironing, plus the wear and tear on your disposition? The actual cost, lady, may be very little less than you'd pay for our prompt service. Call us for latest prices, won't you? And be prepared for a mighty pleasant surprise.

SOCIETY

Spooks, gypsies, and shmoos were seen in Lexington this weekend. They're all pictured above in scenes of wild revelry at Halloween parties here and there.

The Spice Of Life

By Ruby Graham and
John Anderson

To the guys on campus: How do you like being chased? Fun, ain't it? Better head for the women, boys!

Some of the costumes at the Halloween parties this year were really the stuff. You should have seen Dalton Greenfield as the Saturday Evening Post drunk. He was the soberest man in town... but got thrown out of every bar on Main Street.

Mary McKinley had the stag line whistling at the Tri Delta formal last Friday night. And while we are talking about the Triple-Triple affair, we can't fail to mention that Owen Lewis sure pulled a fast disappearing act with Jean Warren.

Far few at the Phi Tau house when Bob McElvaine walked in with another date and Joan was already there.

Margaret Garrett's painting party must have been quite the thing. Dave, Dick, and Jo really looked like Halloween when they got through.

Quotation of the week at the Delta house: "You're all right, Dad."

Call the Deltas for clarification. It looks like Bob Hoppe is beating Cletus Ellis's time with Doris Walker.

What is this about Charlie Oberst going to church because Rosemary said so?

Don't dare tell anyone, but Polly Day loves to have glue poured into her shoe by a certain well-known staff member of the Kentucky.

Who is this guy called Elmer? GH Siria faces the mountains every evening at sundown and sings a hillbilly song.

The DZ's played nursemaid to three Sig Eps after their car turned flips in front of the DZ House.

Dottie Elth recently stabbed Bill Benjamin by breaking a date. We hear the tables were turned a few days later.

Sam Neace has won the title of "Barefoot Lawyer."

The Sigma Chis have struck the ideal interior decoration... Kemtense polka-dotted with Varga girls. You should see those ceilings!

Jeanette Henlepp is involved in a triangle in which the Phi Sig and a Sig Ep pledge are feedin'.

'Spice Of Life'

(Continued from Page Four)
The Courier Journal society page recently stated that Delta Tau Delta had pledged Betty Ball, Jane Stokely, Ann Jennings, and Joan Pfeiffer. Perhaps they meant Delta Delta.

Ask Bill Samuels about picked Misses and then watch his face. Fanned: Joan Hendricks and Bud Bunnell, Bernice Schre and Jack Cash.

Unpinned: Bobby Bidwell and Howard Logan.
Engaged: Marjorie Burton and Wayne Daugherty; Mary Lynn Sanders and Bob Turley, Marie Muth and Willie Neal, Jacques Cook and Frank Purdy.

Married: Flo Lewis and Charlie Borrell; Mary Frances Hagen and George Smith.
Martha Bishop, John Pritchard, and Pat Mason are getting mighty excited about seeing some 'certain West Pointers' and dancing on the Wildcat-Astoria Roof this weekend.

Wonder why folks in the Hoss-Shoe thought Caroline Hill and Bob Coleman were newlyweds. Could it have been her initiation orchid?

Bill Beutell is looking for a pint-sized gal...says they're hard to find!

Caroline van Saantvoord and Jack Fleraband are pinned again. Jack says she wouldn't take the pin in the Zebra!

Constant twosomes: Jane Kannapel and Craig Wright, Shirley Bryant and David Hatchett, "Monk" Stewart and Jim Stout, Colene Duvall and Alton Barnes, Barb Shofer and Butch Kidwell.

Bill Giltner is making frequent visits to the Kappa House to see Betty Shrewsbury.

Real: Bickel (Paul, that is), and Williamson battle it out at the Sigma Chi House over Martha Durham. And Ann Guthrie is being seen more and more frequently with Henry Bickel.

Hardy Mills and Howard Morgan had quite a time down in the Derby Town last Saturday night.

The ADP's are taking their dates to Geney's tonight...Dogpatch style.

You should have seen the "hilly-billy oscillator" at the Kay Sig house Friday night. And the house-mother outdone 'em all...her costume was tops!

Delts seen at the Cincy game: John Walshall and Irish Wenzler; Glenn Wilk and Laela Bland; Bill Usher and Billie Moore; Andy Clark and Ann Perrine; "Squirrel" Catron and Mildred Cox; Jimmy Inman and "Pill" Wilson; Bill Gutermuth and Suzanne Hannans; Dave Beam and Trudy Clary.

Frank Adkins has been talking a lot about Charlie Meers...maybe a pinning soon!

Do the fans at the Cincy game know where the stadium got its name? Nip-pert!

It seemed fashionable this Halloween to masquerade as a Sigma Chi. Did you see the guys with the cardboard pins that lit up?

Now Long and Beverly Newker are mighty sad about an error we made last week in this dirt column. Our apologies!

Queenie, Spratt, and Donohue are wondering if the gals will be down this weekend.

Billy Barrows is a fire fighter from way back...kept all the Cincy flames well under control!

One last word: you'd better head for the mountain, guys. We're in a mighty eager!

Library Features Centennial Show

The Margaret I. King Library staff has arranged an exhibit to honor the centennial of the "Forty-eighters," liberal Germans who fled to America after the collapse of the Central European revolutions of 1848.

Two documents in the exhibit have a special Kentucky interest. One is a letter from Carl Schurz, the most prominent of the "Forty-eighters," to Col. Henry Watterson requesting information for his biography of Henry Clay. The other is an appeal "To All True Republicans in the Union," issued in Louisville in March 1854 by Carl Heinzen and other German radicals. This document is a summary of the radical platform of the "Forty-eighters." The only other copy in existence is at the University of Michigan.

One of the contemporary articles by Wendell Wilkie concerns the life of Carl Schurz. Other examples of the Germanic contributions of the "Forty-eighters" are included in the exhibit.

what they thought about the whole idea. A surprising number of the students disapproved of the idea. Some of the comments were: "Coed hours should be retained for all coeds who are still minors," and "Coed hours in many instances prove to be lifesavers if the coed is 'stuck' with a shmoo."

If Purdue should adopt this plan, it is liable to set a precedent for other colleges and universities. (Not that that is a bad idea.) Who knows? Just think of being able to stay out till all hours without expecting a campus! Comes the revolution.

Excerpt from poem in Purdue "Exponent":
...breathes there
a man with
soul so dead who
never to himself
has said
to hell with studying
let's go to bed...

She took my eye with meaning looks
She took all that I could buy—
She took my hand with loving care
She took my costly flowers so rare,
She took my candy and my books,
And then she took the other guy.

UK's NCAA Champs Begin Cage Workouts

By Kent Hollingsworth

Eleven men bounced basketballs around Alumni Gymnasium Monday afternoon when Coach Adolph Rupp officially started basketball practice for the 19th time at the University of Kentucky.

Basketball started late for the NCAA champions this year. "Why my goodness, son! The boys played 56 games last fall, winter, and summer. A boy can get stale playing that much ball," explained the Baron.

However, even though Coach Rupp did set the official opening on Nov. 1, Beard, Barnstable, Groza, and a few others of the varsity have been shooting a half an hour a day, before the frosh practice, for the last two weeks.

The team practiced about an hour and a half each day this week, moving off the floor at 4:30 to make room for Coach Lancaster's freshman team.

The varsity shoots for 30 minutes and then runs through offensive drills. A short scrimmage is scheduled for this afternoon with the frosh.

The Wildcats have shown up quite well against the National Collegiate champs in previous scrimmage sessions this year. Sparked by a ball-hiding forward, C. M. Newton, they held a team of Beard, Stough, Groza, Barker, and Line to a 11-8 score last week.

With the first game against Indiana Central, only three weeks away, Coach Rupp expects the boys to round into shape by the middle of next week.

Four All-Conference men and two All-Americans from last year's team were missing when Manager Hummer Yessu blew the whistle and started the 48-49 campaign. Departed were Captain Kenny Rollins, Joe Holland, Jim Jordan, Jack Parkinson, and Dutch Campbell.

This year's Wildcats are: Cliff Barker—the team's grand grand old man starts his last year for the Wildcats; practicing long shots for his forward position; handles the ball like an apple.

Dale Barnstable—6'2½", likes basketball as much as Beard; banged in 17 points against DePaul last year from far out on the floor; likeable boy, has "lotsa hussel."

Ralph Beard—twice All-American, leading for his biggest year; he is worried about getting into shape by next week.

Roger Day—if try takes any, he'll get it all, remarkably good shot, 6'2", a conscientious sophomore.

Alex (Beak) Groza—twice All-American, high point man on the U.S. Olympic basketball team; working on a fade-away pivot shot that looks impossible to stop.

Joe Hall—Cynthiana High School star; didn't dress last year but going to see plenty of action this season. A guard.

Bob Henne—a sophomore, plays guard or forward, likes to play basketball.

Walt Hirsch—6'4", tough under the basket, top defensive man, good shot; sophomore, plays forward and center; he might be All-American before he leaves Kentucky.

Wah Jones—All-Conference last three years; busy playing football right now, will have to hustle to wrest starting position from Barker, Line, Hirsch, and Barnstable after he joins team.

Jim (Foul) Line—combines a 3.0 Engineering scholastic standing, phenomenal left-handed push shot, and a self-styled '192 power-packed pounds' into one of the leading contenders for a starting forward position.

John Stough—one of the better defensive men on squad, experienced, starting at guard in '44, never gets excited. Plays good baseball.

Garland (Spec) Townes—Drive, drive, drive. From Hazard, a sophomore, contender for starting guard spot; hustles all the time.

WAA TEAM TIES EASTERN

The WAA field hockey team tied Eastern State, 1-1, in a game played here last Tuesday afternoon. The UK girls have another game scheduled with Eastern, as well as contests with Cincinnati and Transylvania.

Game Movies

Movies of the Georgia and the Marquette games will be shown tonight at 7:30 o'clock in Alumni Gym by the revived Downtown Coaches Club of Lexington. The public is invited to attend.

New Fencers Practice Various Fundamentals

The fencing team spent this past week practicing fundamentals. The various positions were demonstrated to the first-year men by Charles LeGette. Weapons were used after some elementary principals were learned by the newcomers.

Among the novices, Jack Baldridge and Cleve Gatchel show promise of becoming capable fencers.

Three men on the fencing team are from foreign countries. E Martinez is from Cuba, Jaime Correa from Panama, and Peben Haagen from Brazil.

Entry Deadline Set For Pool Tournament

The deadline for entering the Student Union pool tournament is Monday.

Winners will represent the University in the National Intercollegiate Pool Tournament.

Entrance blanks may be obtained in room 122, SUB. An entrance fee of 25 cents will be charged to pay for trophies.

Pairings and times of matches will be posted Tuesday in the game room. Conflicts in time may be adjusted by notifying James Garey.

Last year the Wildcats scored six times through the air. This year they have already scored five aerial touchdowns.

Wildcats Stomp Cincinnati 28-7 In Rough Encounter

The Wildcats of Kentucky defeated the University of Cincinnati 28-7, before a near-capacity crowd of 26,000 fans last Saturday afternoon in UC's Nippert Stadium.

It was the third consecutive year that the Kentuckians had whipped the Bearcats by a three-touchdown margin. In 1946, UK won 26-7 and last season the Big Blue took the skirmish, 20-0.

The contest was hard fought from beginning to finish. And for the second straight year, the game nearly ended in a free-for-all battle between the two teams.

The outbreak of fistfuffs started shortly after Bobby Brooks kicked his fourth straight point-after-touchdown for the Kentucky eleven. Brooks and UC's Thurman Owens mixed it up and were joined by several others from both teams. However, the whole melee lasted only 30 seconds as the coaches, officials, and some of the players quickly broke up the hostilities.

Score Twice In Six Minutes

The Cats were terrific to open the game. After stopping three UC line plays, Bill Biller took a Bearcat punt and ran 54 yards into Cincinnati territory. Two plays later, Shorty Jamerson scampered around right end for 24 yards and the first TD. This came with only three minutes gone.

Lloyd McDermott recovered a UC fumble on the loser's 47 shortly thereafter. After a 28-yard run by Jamerson, George Blanda passed to Jim Howe in the end zone for another score. Brooks kicked the second of four perfect placements.

These two tallies came with only six minutes of the contest elapsed.

Still in the first quarter, Shorty Jamerson, taking a handoff from Boller on a punt, raced 63 yards for another marker, but a 15-yard penalty nullified the play.

In the second play, a 36-yard aerial from Boller to Wah Jones netted the UKers another score.

The Bearcats' only touchdown came on a pass, QB Tom O'Malley to End Joe Hawk in the fourth quarter. The play was good for 22 yards. Tom Jensen kicked the p.a.t.

Howe Scores Final

In the dying moments of play, Boller flipped a 24-yard aerial to

Howe in the end zone and UK scored again. A few seconds later, the short flurry of fists started to fly, but this was quickly squelched.

Standouts for UK were Linemen Doc Ferrell, Lloyd McDermott, Jerry Claiborne, Ray Porter and Dick Holway. In the backfield, Bill Boller, Jim Howe, Shorty Jamerson, George Blanda, and Dick Martin were the pacesetters.—T. D.

Don Fucci's one pass interception this year was good for 78 yards and a touchdown, which given him the lead in that department.

Bowling Class Planned By Recreation Center

Bowling instruction will be offered to UK students and faculty at the University recreation center as soon as classes can be formed. The classes will be held at the time convenient to the majority of those interested. Nominal fees will be worked out for class instruction.

There are 13 seniors, 19 juniors, and 31 sophomores on this year's Cincinnati Bearcat squad.

Jackets are longer with center vent.

Slacks are tapered. Trousers are pleated and tapered.

Excellence WITHOUT Extravagance

Player Of The Week: Jim Howe

By Tom Diskin

Right Halfback Jim Howe has been chosen as the Kernel's Player-of-the-Week for having scored the winning and the final touchdowns last Saturday against Cincinnati.

Trailing closely behind Howe for top honors was Shorty Jamerson, who scored twice, only to have one called back as a result of a penalty. Jamerson ran like a demon and picked up much yardage while he was in the game.

Other standouts for UK were Bill Boelter, who tossed two TD passes; George Blanda for his excellent kicking and good passing; and Doc Ferrell for having blocked a UC punt and stopping many Bearcat backs as they tried the Big Blue line.

But Jim Howe, a junior halfback from Fort Thomas, was "Johnny-on-the-spot." He took a Blanda aerial in the end zone right off the finger tips of UC Quarterback Tom O'Malley early in the initial quarter for the Cats' second score and what proved to be the winning touchdown.

Then in the closing minutes of the hard-fought struggle, Howe slipped into paydirt and snagged a 24-yard pass from Boelter for UK's final score. Seconds later, the contest ended and Kentuckians went home happy.

Had 9.5 Average In 1942

Howe led the Wildcat team last season in average yards gained per try with a mark of 9.5 to easily top Jack Farris, who had a 6.4 record. In addition, he scored 12 points, intercepted one pass, and caught nine UK aerials good for 71 yards for the campaign.

High School Star

The 21-year old halfback stands 6'1", weighs 170 pounds and served for 22 months in the U.S. Infantry. While at Highlands High School, in Fort Thomas, Jim won the award for being the best all-around athlete in the institution. He was a four-sport standout.

He captained the school's track and basketball team in his final season. In tennis, Howe was on the doubles team that captured the Northern Kentucky high school championship.

In football, Jim was named All-State in his junior and senior years. It was in his last season that Highlands won the State championship when they whipped Ashland High, 19-0, on UK's Stoll Field in the annual Shrine charity game of 1942.

Scored Five TD's In 1944

Then, as a 17-year-old, Howe came to UK after almost deciding to enroll at the University of Tennessee. In the initial game of the 1944 season, against Ole Miss, Howe scored the first touchdown of the contest, which Kentucky eventually took 27-7. Late in the game, Howe received a broken collarbone

DTD 26, ASP 0

The first game of the elimination defense and as a pass received.

Two weeks ago, he was left off the traveling squad for the Marquette trip for reasons never reported. However, Saturday, when given the opportunity, Howe came through in fine style.

The Villanova Wildcats will be specially wary of Howe on Saturday for he was a thorn in their side last December by his excellent running, blocking and tackling in the Great Lakes Bowl game, which Kentucky won, 24-14, at Cleveland.

tournament was dominated by pass interceptions by DTD.

For DTD, John Kaster, tailback, made two touchdowns, Jack Gutmuth made two more touchdowns, and George Vanderwyden kicked two extra points.

In the DTD line, Bill Vohrees, Bill Usher, and John Wathel were outstanding.

For the ASP team, passing by Art Prince to Fritz Engler and Frank Cornett wasn't good enough to win. D. Doan was good in line play for ASP.

Kinkead Hall 20, PKA 0

Passing by Donahue and Barlow to Jack Shiffli wasn't enough to overcome a rugged Kinkead Hall team.

Kinkead touchdowns came as results of passes. The first TD was a pass from Fred Lawson to Kibbey. The second tally came after a pass behind his own goal line and ran the length of the field to score the third marker.

Ronald and Nazer were good as defensive linemen for Kinkead.

SN 6, SAE 0

Exhibiting good team-work, SN stopped one of the better offensive teams in the league.

Back Earl Siria, of SN, moved the ball to the one-yard line, where Back Bud Zerner plunged over for the marker.

Carol Jacobs with his passes, failed to provide enough offensive spark for SAE. Rhodes did well in the line on defense.

ATO 1, SPE 0

Tailback Dan Stamer paced the offensive drive of ATO with passes, as they beat SPE in an overtime.

The Stewart twins, Jack end, and George, back, were receiving as did Paul Saad.

Defensive start for the ATO aggregation were: J. Pritchard, end, Fred Perkins, quarterback, D. Miller, wingback, and Claude Sprowls, guard.

To provide punch for SPE, Woody Fritts, back, passed well to Spears and Bailey at ends. The defense that almost stopped ATO was bolstered by W. Morgan and H. Morgan.

Turtles 20, Triangles 0

Playing from the double wing, the team from Northern Kentucky outpassed the Triangles.

INTRAMURAL PHOTO

Maek Hughes, Lexington photographer, has been contacted to take a picture of the championship Intramural football team immediately after the title game Saturday on Stoll Field.

The winning team is asked to remain on the field until the picture, which will appear in next week's Kernel, is taken by the photographer.

George Snyder, wing back, took a pass from Fullback Elmer Reusch for the first score. The second TD came on a 30 yard pass from Howard Nienaber to sticky-fingered End Bob Griesinger.

Bob Ruberg scored on a toss from Nienaber, good for 15 yards. To cap the day off, Byrne Bickel caught a Triangle player behind the goal line for a safety.

Guards Kent Faris and Harold Crossland were good on defense for the Turtles.

End Bob Stamper was outstanding on defense for the Triangles, while Bob McClain did a nice job of passing.

KS 19, PSK 0

Offensive combinations of Backs Jim Carter and Jim Stewart passing to Ends John Perkins and Wayne Daugherty provided the margin of victory for KS.

Guard Fred Howard, of KS, was
